open draw

league

The Open Draw league is open to any combination of adult curlers of any age, gender and skill level. We are looking for a wide range of players, from beginners to experienced, with the emphasis on **having a fun, social league!**

The draw runs 6 to 8 teams drawn from 24 to 32 individuals. Teams will be re-made 2-3 times a year assuring you will get to play with many different people. A meeting after fall registration, but before the beginning of the season may be held to discuss league "extras".

We really hope to see you there!
